POOL VILLAS FOR HONEYMOONERS AND FAMILIES

Phuket, Thailand, The Vijitt Resort offers affordable 5 star luxury in their pool villas. With 92 villa style accommodations The Vijitt Resort, which opened its doors September last year, features a selection of 3 different types of pool villas to suit all tastes.

The spacious villas all have bedrooms, living rooms, expansive terraces and private pools. The most luxurious of these is the Vijitt Pool Villas which occupy prime beachfront locations have a spacious living room, master bedroom that seems to 'float' in the pool and a massive bathroom that seems to be part of the bedroom. With private gardens that stretch down to the tranquil beach, the pools also feature an integral Jacuzzi and fiber optic lighting – giving the effect of 1000 tiny lights twinkling like stars in the pool. These villas, for couples only offer the ultimate in romance!

Then there is the two storey Prime Pool Villas, which combine space with convenience offering an upstairs living room leading onto a large terrace and 7 metre pool, while downstairs is a spacious bedroom with a king size bed and enough room to comfortably accommodate up to two extra beds, a great family option.

The two bedroomed pool villas provide even more space and privacy for families, all set on one level with a master bedroom with adjoining living area and a separate 2nd bedroom, the perfect choice for families with older children, or for a couple that want a spa retreat – the second bedroom neatly converts into their own personal spa suite!

Although the main focus for the resort is the couples market it does see the families as an important market but with only 16 of the 92 villas suitable for children it will remain a smaller market segment.

Prices for Pool Villas start at US\$250 per villa per night including breakfast and the beachfront Vijitt Pool Villas start at US\$750 per villa per night. During May to September special offers on Pool Villas are available as low as US\$125 per villa per night. For the latest special offers see the resorts web site www.vijittresort.com
